Dear Mr. Tegethhoft,

I do not think I can ever thank you all for the wonderful treat you gave us by your presence, performance and affection bestowed on each one of us during your visit.

I deeply appreciate your loving gesture of collecting funds for Akshay Pratishthan and Amar Jyoti and present it in such a novel way of communicating with the children as well as having dear Alexei to play the sitar for everyone in the premises. I also wish to thank you for bringing Mrs. Tegethhoft, who I am sure, is a true inspiration behind all your good deeds.

I, on, behalf of Amar Jyoti family, wish to also convey our special gratitude for the donation because it is a very timely help in paying off the bills for construction of school building. I am sure by the time you come next, the school building will be ready and may be we will have a story telling session in our library hall.

I would very much appreciate if the exchange programme is also promoted for which we need to have a brain storming session. I look forward to your visit again in near future. Please convey our heartfelt gratitude to Mrs. Tegethhoft and Alexei. I will be writing separately to Munish for being instrumental in introducing us to a group of such noble people.

God bless.

Yours Sincerely,

Dr. Uma Tuli
